|----------|---------------------------------|--|---|---|---|
|          | Financial Inclusion             | Opportunity  | Non-Banking Financial Companies (NBFCs) have been at the forefront of financial inclusion in the Country, lending to underserved segment such as small business and rural households. NBFCs played an important role in deepening access to formal credit and promoting inclusive growth. NBFCs have reached out to rural, semi-urban and metro areas, where access to formal credit is often limited. The expertise that NBFCs provide is underwriting risk with the nuanced ability to assess income and repayment capability over the tenor of the loan. Furthermore, NBFCs address the gap between the Banks and the consumers by offering low-ticket loan amounts tailored product with less paperwork to suit the relevant needs of the customer. |   | Positive- Paisalo is engaged in the business of providing convenient and easy loans to the financially excluded at bottom of India's economic pyramid. Governance, leadership and oversight

7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements

Dear Stakeholders,

I am pleased to present the BRSR report for Paisalo Digital Limited (Paisalo), being a systemically important Non-Banking Finance Company, we do our business in a responsible and sustainable manner. We always endeavour to identify key ESG issues and have identified Ethical Business Conduct, Efficient and Transparent Customer Service, Corporate Governance, Risk Management, engagement with Communities and Environmental Footprint to be some of the most important issues.

Our range of credit solutions includes small income generation loan, customizable MSME, SME, and Commercial loans, E-vehicle loans and Corporate loans for working capital requirements. We recognise that we have the dual responsibility of ensuring sustainable finance and protect the environment in our day to-day activities. To that end, as a corporate entity, we, with the aim of creating self-employment, eco-friendly environment  $\alpha$  efficient transportation across India, stepped up and entered the EV financing industry in 2022. PDL has always supported and fulfilled the dreams of the underserved section of the society by providing them financial solutions. The focus is to improve the living of the groups of people living in rural or semi-urban areas and support the government of India in making mode of transportation completely green by 2030.

Additionally, we have transitioned to digital processes to reduce paper wastage and embraced energy-efficient lighting fixtures and gadgets to conserve energy. Water-saving measures such as water harvesting to minimize water wastage.

At Paisalo, we understand the significance of social responsibility. Regarding this we have undertaken initiatives to support education, healthcare, and skill development for underprivileged sections of society through our CSR scheme.

We, believe that the Corporate Governance is based on creating and sustaining a deep relationship of trust and transparency with all stakeholders. We consider our stakeholders as partners in our journey forward and we are committed to ensure their wellbeing, despite business challenges and economic volatilities.

Our Corporate Governance norms reflect our commitment to compliance to regulatory requirements as there exists a fundamental link with the organization of business, corporate responsibility and shareholders' wealth maximization and realize the significance of sound governance practices to the long term growth of the organisation. We have imbibed the good corporate practices in our business as we built it for the long haul. It is an optimum combination of policies, process and practices, which governs the affairs of a Company in pursuant of its business goal. Our Corporate Governance is based on the principles of integrity, fairness, equity, transparency, accountability and commitment to values. We adhere to established policies and frameworks that guide ethical decision-making in all our engagements. Our commitment to employee welfare is unwavering, as we provide comprehensive benefits. We also conduct skill development workshops to encourage the professional growth of our employees.

At PAISALO, We are very conscious that accelerated growth in our businesses cannot come at the cost of deteriorating environment, social inequality or unfaithful governance.

How we do our business is as important as what we do. With sustainable and responsible growth being the future of business growth, we are making the necessary changes to embrace all or some parts of ESG in the upcoming years. Our ESG reflects our responsibility to Environment, Shareholders and the Communities in which we operate.

Thank you for your continued support and partnership.

Sincerely,

Sunil Agarwal

## 4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes

#### Describe the internal mechanisms in place to redress grievances related to human rights issues.

Paisalo believes that every workplace shall be free from violence, harassment, intimidation and/or any other unsafe or disruptive conditions, either due to external or internal threats. Accordingly, Company has aimed to provide reasonable safeguards for the benefit of employees at the workplace, while having due regard for their privacy and dignity. Paisalo also has zero tolerance towards and prohibits all forms of slavery, coerced labour, child labour, human trafficking, violence or physical, sexual, psychological or verbal abuse. As a matter of policy, Paisalo does not hire any employee or engage with any agent or vendor against their free will.

While Paisalo aims to not have a situation that leads to any grievance; should such a situation arise, Paisalo has a well-defined grievance redressal policy for its employees. A formal grievance mechanism is available to all employees, to report or raise their concerns confidentially and anonymously, without fear of any retaliation.

### 7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

A formal grievance mechanism is available to all employees to report or raise their concerns confidentially and anonymously, without fear of retaliation, along with mechanism to consult on ethical issues through the explicit means like Whistle Blower and Vigil Mechanism policies. Paisalo prohibits retaliation against any employee who reports in good faith any suspected or potential violation of Company's code for employees which includes aspects of discrimination and harassment.

At Paisalo sharing a possible concern about the code honestly and in good faith, even if it turns out to be unfounded – is never an excuse for any kind of retaliation.

<sup>\*</sup> Excluding 4 KMP already covered under Board of Directors.

## 7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

No

Paisalo does not have any specific project to reduce Green House Gas emission but Paisalo has undertaken various steps on environmental sustainability in its operational activities such as:

Reducing paper consumption and recycle / reuse of papers: It has been an endeavour of Paisalo over last many years to keep reducing paper consumption across all its business operations. Further, Paisalo also endeavour to recycle and reuse the paper, wherever possible.

<u>Design of Company's office Infrastructure to less consumption of electricity:</u> Paisalo always endeavour to use power in more efficient and effective manner, to extend this, the registered and head office infrastructure are designed to use direct sun light for lighting the offices premises. Electric equipment are also energy efficient/ star rated that also save natural resources and reduce green House Gas emission.

Ozone-friendly air conditioners: Installed ozone-friendly air conditioners manufactured with R32 refrigerant – resulting lower carbon emission.

Company's product a contribution to reduce Green House Gas emission: Electric Vehicles are undoubtedly a major step towards CLEAN & GREEN India and also the most innovative and efficient way of using electric energy without causing harm to the environment. Company designed its product especially to finance electric vehicles with the aim to improve the living of the groups of people living in rural or semi-urban areas and support the government of India in making mode of transportation completely green by 2030.
