At Paisalo we believe that the purpose of any business transformation is that it should result in stronger growth momentum, better customer experience, additional cross sell, lower credit risk, lower ALM risk and improved liquidity

We are Pursuing our Business Transformation with these objective's

At the outset, All business transformations takes "Technology, Time, and Team".

We started Phase 1 of this transformation project in October 2019, with beta testing initiated in January 2020

Phase 1 was focused on creating a "Strong, Stable and Scalable" foundation.

As articulated in previous Quarters all Phase 1 features of the stack are live.

Phase 2: 3000 disbursements per day Phase 2 is on track; focusing on augmenting current credit underwriting feature set, disciplined execution, rapid adoption in all processes of the company and continued progress on all metrics.

Next update will be provided in Q4 FY 2023
